EDUCATION

GIBS BUSINESS SCHOOL, BANGALORE, Bengaluru, India, Post Graduate Diploma in Management in Finance & Business Analyst, (GPA: CGPA 7.44/10), Jul 2022 - Jun 2024

MARVEL DEGREE COLLEGE, TELANGANA, Khammam, India, Bachelor of Commerce in Computer Applications, (GPA: CGPA 7.66/10), Jun 2018 - Jul 2021

PROJECTS

Financial Due Diligence & Data Analysis

Dec 2024 - Aug 2025

- Collaborated with KPMG over a 6-month period on due diligence activities, supporting operational and financial data review for audit and reporting purposes.
- Analyzed 4 years of historical financial data, including purchases, foreign exchange transactions, product-wise sales, and inventory summaries, ensuring accuracy and completeness for internal and external audits
- Delivered key reports such as category/sub-category sales performance, stock position summaries (FG/RM/SFG), and vendor spend breakdowns, providing actionable insights for audit recommendations and financial decision-making.

Coffee Shop Sales Dashboard (Power BI)

May 2025 - Jun 2025

- Developed an interactive Power BI dashboard to analyze sales performance, revenue trends, and profit margins across product categories and locations, supporting financial data analysis and reporting for business decision-making.
- Tracked key metrics such as average transaction value, product-wise contribution, and monthly growth rates, enabling data-driven pricing and sales strategy recommendations.
- Utilized DAX measures to calculate critical financial KPIs, including YoY growth, monthly revenue, gross profit, and contribution margin by category, ensuring accurate and dynamic reporting.
- Integrated and cleaned sales, cost, and inventory data to build dynamic visuals, including P&L summaries, profitability by product line, and customer purchase behavior, demonstrating proficiency in data preparation and financial research.
- Delivered real-time insights into underperforming SKUs, high-value customers, and peak sales periods, supporting cost optimization, inventory management, and forecasting initiatives for financial planning.
- Presented actionable insights to support cost optimization, inventory management, and forecasting decisions.
